## Business & Commercial Litigation

Butzel attorneys try high-risk, complex business disputes across the United States. Our business and commercial litigation team regularly appears in state courts, federal courts, and before arbitration panels. We have tried and arbitrated a full spectrum of business disputes, including complex cases involving automobile recalls, supplier disputes, securities litigation, shareholder disputes, trade secret or intellectual property claims, and large commercial or industrial construction disputes. Our team strives to resolve every case within our client's goal as quickly and cost effectively as possible. Our efficient approach to litigation has earned our attorneys national recognition. We have colleagues who are fellows of the American College of Trial Lawyers and the Litigation Counsel of America. They have Martindale-Hubbell AV ratings, and they are listed in the *Best Lawyers*, *Chambers USA*, and *Super Lawyers*.
