Condemnation/Eminent Domain

Butzel attorneys are widely recognized as preeminent in matters involving condemnation proceedings, and eminent domain issues. Condemnation/Eminent Domain Law is among the most specialized and complex area of real property law. Our attorneys are deeply experienced, having practiced condemnation law for over 35 years.

Our team of professionals provides assistance to clients who are property owners of all types of property including industrial, commercial, residential, and municipal. Butzel attorneys have successfully represented clients with matters involving condemnation for such projects as stadiums, casinos, recreation centers, state transportation centers, and other projects.

The primary objective of our Condemnation/Eminent Domain Practice Group is to provide clients with superior, efficient and prompt representation. The Condemnation/Eminent Domain group of attorneys marshals its extensive experience and works with Butzel's environmental, real estate, and tax attorneys to assure that our clients needs are fully satisfied in a prompt, cost effective manner.
