Construction Specialty Team

Members of Butzel's Construction Specialty Team are not only veterans of the construction profession, but recognized leaders with experience in all phases of the construction process. Our deep industry knowledge extends from government relations to project management and more.

Whether it's bidding and building a project or understanding the nuances surrounding different types of dirt, we pride ourselves on being as capable working on public works projects as we are working with contractors. Our Team provides counsel in a variety of roles pertinent to the construction industry.

This specialized group of attorneys is recognized among industry insiders and accordingly, our clients know they can depend on us as problem solvers. We understand our clients' businesses and dedicate an individualized focus on each unique client. Knowing how to navigate through government regulations and procedures paired with our vast experience working with industry personnel enables us to get projects completed efficiently and cost effectively for our clients.

Longstanding professional relationships with major construction industry trade associations in Michigan include:

- Michigan Infrastructure and Transportation Association
- Associated Builders and Contractors of Southeast Michigan
- Michigan Concrete Association
- Asphalt Paving Association of Michigan

We take great pride in counting a substantial number of members of these organizations as our clients.

Members of Butzel's Construction Specialty Team are frequently asked to lecture and present programs to industry professionals and other lawyers. In addition to representing clients, our attorneys serve as arbitrators, mediators, and masters in complex construction disputes and have achieved numerous
