Copyright

Copyright protects original works of authorship including literary, dramatic, musical, and artistic works, such as photographs, computer software, manuscripts, architecture and songs. Our copyright attorneys have experience in all major areas of copyright protection and practice, including traditional print, music, art, digital content, and computer programs.

Butzel has extensive experience advising multinational and domestic companies on cross-border and foreign intellectual property issues. Our client are active in a myriad of industries, and we have immediate cost-efficient access to legal information and resources throughout the world.
