Health Care Industry Team

With clients ranging from health care providers, payers and nursing homes to pharmaceutical and medical supply companies, Butzel's health care group helps our clients navigate the unique legal, operational and economic issues and relationships inherent in the health care industry.

With the industry in the midst of unprecedented challenges and dramatic changes, our attorneys have extensive experience across a broad spectrum of specialized and critical areas within the health care industry. We assist our clients with financial and corporate issues, regulatory and compliance issues, governmental investigations, criminal and civil litigation, tax matters, labor and employment advice, providing legal counsel that relates to virtually every area of a client's organization.
