Europe International Team

Butzel's Europe team is comprised of attorneys possessing a broad range of experience in counseling and representing both US and foreign-based companies in the establishment of operations and the conduct of business throughout Europe. Our attorneys counsel US and foreign-based clients with business interests in Europe, as well as European clients conducting business either in the US and internationally.

The services of Butzel Europe Team attorneys include representing clients on matters relating to the organization of new subsidiaries and entity structuring, domestic and cross-border mergers and acquisitions, joint ventures, technology transfer issues, investments, tax planning, employee transfers, immigration matters and a wide variety of other business, contract and transactional issues. Our attorneys regularly assist US and European clients ranging from start-ups to established Fortune 100 companies.

Butzel is recognized as the premier international law firm in Michigan. A substantive portion of our client base is headquartered outside of the United States. Those clients involved with European matters know they will receive the advice, counsel, and representation one should expect from a reputable, corporate law firm. Our Europe Team members include lawyers fluent in German, French, Russian, Spanish, Italian, Arabic, and other languages.

Butzel attorneys are active in a number of international associations including Lex Mundi, the International Law Section of the American Bar Association, the French-American Chamber of Commerce, the German-American Chamber of Commerce, the Swedish-American Chamber of Commerce, and the British-American Business Council.
