MSU Management Education Center

Or Live Webinar

OESA announces the 2017 OEM Terms & Conditions and Current Legal Issues Event on Sept.14, 2017, at the MSU Management Education Center in Troy, MI, and via live webinar. This meeting will provide attendees with updates on OEM terms and conditions, as well as interrelated information to consider when working with contracts. The event includes two Q&A segments as well as a networking lunch to enable attendees to further expand their understanding of the topics and make connections with the speakers.

Cynthia Haffey, shareholder, Butzel Long, will provide an update on OEM terms and conditions, and discuss new case law and regulations to be aware of. The updated OEM terms and conditions are included in the 2017 edition of the "OESA OEM Production P.O. Terms and Conditions Comparative Analysis," publication. This publication will be available for purchase at a discount with event registration or on site the day of the event.

Additional Butzel Long attorneys James Bruno, Jennifer Dukarski, Sheldon Klein, Daniel Rustmann, Brian Seal and Bruce Sendek will discuss:

- Guide to Resourcing: When, Why and How to Manage Risks
- An Overview of Existing and Emerging Supplier Post Sale Duties: Duties to Warn, Correct, Update and Support
- When Does Title to Tooling Pass to the OEM and Why Does It Matter?
