Legacy and Planned Giving

Webinar
12.6.2018

St. Vincent de Paul Detroit with the support of Butzel Long invite you to discover how you can "See the Possible of a Lifetime" by joining the Promise Society. SVdPD has been helping neighbors in need for 134 years. Learn how you can be part of making sure that they can continue helping those in need for another 100 years by making a planned gift to SVdPD.

In the webinar, you'll learn how St. Vincent de Paul Detroit helps those in need, what differentiates them from other like organizations, and the different ways you can make a planned gift so that the work they do will continue for generations to come.

Butzel Long's Amy Glenn will cover the different ways you can contribute to the charitable work of SVdP while addressing the practical limitations of funding availability and the potential tax efficiencies under the new tax laws.

Amy Glenn, Dan Malone, and Keith Koppmeier will be presenting.

December 6th, 2018 12:00 PM in Eastern Time (US and Canada)
