Return to Work: Employee Considerations

6.17.2020 | 2:00 pm – 3:00 pm

Event Sponsor: National Association of Metal Finisher (NASF) and Michigan Chapter of National Association for Surface Finishing (MINASF)

Your company has done all the preparation work to open its doors and resume operations. However, are you prepared for the new employment issues this return to work may bring? This webinar will help you address issues related to employee's return-to-work concerns, safety considerations, illness concerns, and navigating leave requests under the Families First Coronavirus Response Act.
