The webinar is designed to answer questions that will help you avoid some common and new potential pitfalls:

- Did you know health Flexible Spending Accounts are subject to COBRA?
- Did you know an active employee may be entitled to COBRA?
- How can the Affordable Care Act's look-back measurement periods and stability periods trigger COBRA rights?
- What happens if no initial COBRA notice is provided to a new hire?
- What happens if you don't issue a notice on time?
- What reporting and disclosure obligations were added by the Affordable Care Act?
- How does the Affordable Care Act affect employer-subsidized COBRA coverage?
