Find out from Top Experts in International Trade Law about:

- What the US Canada Mexico Agreement – USMCA (NAFTA 2.0) will mean on the ground for companies doing business with Canada and Mexico?
- Since the beginning of 2018, we've seen an unprecedented flood of new tariffs either threatened or enacted -- tariffs on solar panels and washing machines, steel and aluminum tariffs, tariffs on Chinese imports, tariffs on automobiles and automotive components. How to seize opportunities and minimize threats to your business and the specific strategies you can use to protect your company from shifting trade rules.

Network with international trade experts and other business leaders and share ideas on how to navigate these uncertain items.
