Join OESA and Butzel Long for a briefing to discuss current legal and commercial issues on Oct. 1, 2015, at the MSU Management Education Center, Troy, Mich., or via live webinar. The meeting will focus on current commercial and supply chain issues, recent case law and emerging topics of importance to suppliers.

OESA and Butzel have polled past meeting attendees, and will focus the meeting according to preferences and ideas brought forward in the poll, including expanded discussion of industry terms and conditions.

Cynthia Haffey, shareholder, Butzel Long, will discuss changes and updates to the “OESA OEM Production P.O. Terms and Conditions Comparative Analysis,” publication, and provide an update to the “incorporation by reference” list. This publication will be available for purchase on site or at a discount with meeting registration.
