## The Woman Advocate Committee of the ABA: Regional Education and Networking Event

9.22.2015

**The Woman Advocate Committee of the ABA**

**~Regional Education and Networking Event~**

**Tuesday, September 22, 2015**

**1:00 p.m. (EDT)**

Featuring a Teleconference Video and Discussion on "The Grit Project: True Grit and a Growth Mindset" with Milana Hogan of Sullivan & Cromwell, LLP

It's back and better than ever! If you want to connect with other female attorneys but can't make it to the national meetings, this is the event for you! Expand your network at the next ABA Litigation Section Woman Advocate Committee's Regional Gathering! We have once again lined up a GREAT speaker. Milana Hogan of Sullivan & Cromwell will provide an overview of the Grit & Growth Mindset research, with a video addressing two real-life scenarios: "Struggling with Your Workload" and "Bullying in a Deposition." The event is free and the travel is minimal. The benefits, however, are invaluable.

The Woman Advocate Committee of the ABA is pleased to invite you to participate in this brown bag lunch event on **Tuesday, September 22 at 1:00 p.m. (EDT)**. All regional offices will connect for the event. If you have attended these regional networking events in the past, welcome back! If you haven't yet joined us, please grab a lunch and come! Following the national teleconference, we will have an opportunity to discuss amongst ourselves how grit and mindset can be applied to the scenarios addressed by Milana (or any other scenarios).

While this brown bag networking event is free, reservations are required. **Butzel Long's Women's Leadership Committee is the regional host in Michigan. Please join us at the firm's Ann Arbor, Bloomfield Hills or Detroit office.** Addresses and RSVP contact information is below. Hope to see you on September 22!
