Health Care Compliance Update: The End of COVID and the Increase in Cyber Security for Healthcare and Human Resource Professionals

Webinar

Virtual – Zoom

5.11.2023 | 9:00 – 10:00 am

Event Sponsor: Butzel Health Care Industry Group

The presentation – *Compliance Update: The End of COVID and the Increase in Cyber Security for Healthcare and Human Resource Professionals* – will provide:

An update on state and federal privacy & security laws related to PII and PHI. We will cover reporting obligations, current threats, and steps you can take to avoid becoming a victim.

Our Presenters will also provide a “crash course” in how the expiration of the COVID-19 emergency declarations will impact their group health plan. Attendees will also get an update on how the Federal government push for greater transparency in health benefits is proceeding.
