Asked and Answered... Angela Shapiro on Electronic Discovery

Digital, as opposed to printed, information plays an increasingly important role in legal evidence. Electronic discovery, usually shortened to e-discovery, deals with electronic information needed for litigation or governmental investigations. Angela Emmerling Shapiro of Butzel Long has extensive experience in all aspects of commercial litigation with a strong focus on electronic discovery. She was named a 2014 "Top Lawyer" in the area of Information Management and E-Discovery and also sits on the board of directors for the Michigan Defense Trial Counsel (MDTC).
