## Butzel Long attorney He Xian quoted in the China Auto News

*China Auto News*  
1.17.2018

According to the reporter, in order to ensure the smooth progress of the Volvo South Carolina project, the China Automobile Engineering has hired a top US law firm: Butzel Long, P.C. Butzel Long provides legal advice to help China Automobile understand and adapt to US labor policies and technical standards in the automotive industry. Attorney He Xian told reporters: "Chinese companies often need a certain adaptation process when they first come to the United States. Our firm has more than 160 years of experience in the automotive industry, and we are ready to provide a full range of expert-level legal services to help Chinese companies Overseas development in the U.S. "
