Butzel Long attorney Ira E. Hoffman appointed to CyberUSA Advisory Board

8.31.2017

WASHINGTON, D.C. – Ira E. Hoffman, an attorney based in Butzel Long's Washington, D.C. office, has been appointed to the CyberUSA Advisory Board.

Established in 2016, CyberUSA is a national platform for collaboration in economic development and innovation. The group, chaired by Governor Tom Ridge, the nation's first Secretary of Homeland Security, coordinates public and private efforts across different states and communities to ensure American leadership in cybersecurity by shaping the education, innovation and policy landscapes at both the state and federal levels.

Hoffman focuses his practice on government contracts, international law, commercial litigation and cybersecurity law and policy. He has more than 30 years' experience in international contracting, and his cybersecurity practice focuses on liability for security breaches, M&A due diligence, government investigations, and strategies for mitigating cyber risk.
