Butzel Long attorney Ira E. Hoffman will moderate a cybersecurity panel during Automation Alley's Integr8™ Summit

11.3.2017

DETROIT, Mich. – Butzel Long attorney and shareholder Ira E. Hoffman, will serve as a moderator on a cybersecurity panel during Automation Alley's Integr8™ Summit on November 9, 2017 at the Detroit Marriott at the Renaissance Center in Detroit.

The global conference is focused on the eight technologies currently disrupting the manufacturing industry. Breakout sessions will focus on the following Industry 4.0 technology sectors: the industrial Internet of things; robotics; advanced materials; additive manufacturing; artificial intelligence and big data; cybersecurity; cloud computing; and, modeling, simulation and visualization.

Based in Butzel Long's Washington, D.C. office, Hoffman focuses his practice on government contracts, international law, commercial litigation and cybersecurity law and policy. He has more than 30 years' experience in international contracting, and his cybersecurity practice focuses on liability for security breaches, M&A due diligence, government investigations, and strategies for mitigating cyber risk. Recently, Hoffman was appointed to the CyberUSA Advisory Board.
