## Butzel Long attorney Jennifer Dukarski discusses legal concerns focused on the autonomous and connected car on WJR's Frank Beckmann Show

1.22.2018

Dukarski has become a national leader in legal issues facing emerging automotive technology and is the leader of Butzel Long's connected car working group. She has been a panelist at the North American International Auto Show for the last two years, covering a broad variety of legal concerns focused on the autonomous and connected car.
