Butzel Long attorney Jennifer Dukarski featured during September 29 VoiceAmerica.com discussion on The Future of Mobility and Manufacturing

9.28.2020

ANN ARBOR, Mich. – **Jennifer Dukarski, Butzel Long** attorney, shareholder, and leader of the firm's Connected Car and Autonomous Vehicle Specialty team, is among the featured guests for the September 29, 2020 edition of VoiceAmerica.com.

Dukarski focuses her practice at the intersection of technology and communications with an emphasis on emerging and disruptive issues: digital media and content, cybersecurity and privacy, infotainment and shared mobility, and connected and autonomous cars.

In her practice, she has assisted clients with defamation, invasion of privacy, copyright, and other content-based claims. She focuses on compliance with various industry regulations and has become a national leader in legal issues facing emerging automotive technology and is the leader of Butzel Long's connected car working group.

A self-titled "recovering engineer," Dukarski was named one of the 30 Women Defining the Future of Technology in January 2020 by Warner Communications for her innovative thoughts and contributions to the tech industry.

Dukarski is a graduate of the University of Detroit Mercy School of Law (J.D., *magna cum laude*, 2010). She's also a graduate of the University of Detroit Mercy College of Engineering and Science, (B.S., Mechanical Engineering, *summa cum laude*, 1996).
