## Butzel Long attorney Les Glick publishes Trade article in Detroit Lawyer

*Detroit Lawyer*  
10.29.2019

The current issue of the [Detroit Lawyer](#) contains an article written by Butzel Long Washington DC shareholder and co-chair of International Trade and Customs Specialty Team entitled "Trade Wars and their Impact on Detroit. The article, written especially for the [Detroit Lawyer](#), is a timely discussion of recent tariffs imposed by President Trump, legal challenges to them, and processes for the exclusion of importers from the tariffs. Tariffs of particular interest to the automotive industry in Detroit are discussed, along with the section 232 tariff on automobiles and auto parts expected to be announced in Mid-November.

The article appears on pages 14 to 16 of the current September-October issue and can be viewed [here](#).
