Butzel Long attorney Rebecca Davies quoted in Fast Company article on workplace trends

9.7.2016

These Three Workplace Trends Could Impact Your Paycheck Next Year

By Moira Lawler

Starting a new job can come with a lot of unknowns, like how long it will take to adjust to a new team, or whether this year you'll finally understand your benefits package.

Regardless of your title or position, however, you can probably expect that a few things will stay the same: You'll be encouraged to stay hush-hush about your salary, will probably be up for a raise at your yearly review, and, odds are good, you will not be eligible for overtime.
