## Butzel Long's Coronavirus (COVID-19) Resource Center featured in *Michigan Lawyers Weekly* article

*Michigan Lawyers Weekly*  
3.19.2020

In response to the COVID-19 pandemic, Michigan law firms have assembled multidisciplinary teams and created resource centers to advise and update clients on overcoming business challenges, and legal and operational planning.

While the full extent of the coronavirus' impact has yet to be seen, legal leaders say communication is critical, and they are providing regular updates to clients and employees as new information develops.
