***D*Business runs article on Butzel Long attorney, Claudia Rast being named co-chair of the ABA Cybersecurity Legal Task Force**

7.24.2020

Claudia Rast, an attorney and shareholder at the Detroit-based law firm Butzel Long, has been appointed co-chair of the American Bar Association (ABA) Cybersecurity Legal Task Force. Rast has served six one-year terms since the task force was created in 2012.

Rast is chair of Butzel Long's intellectual property, cybersecurity, and emerging technology practice department. She assists companies in their strategic use of technology, counseling clients in the areas of privacy, cybersecurity, data security and governance, intellectual property licensing and registration, and the forensic preservation and analysis of electronically stored information.
