Attorneys Terrence J. Miglio and Barbara Eckert Buchanan have become shareholders at Detroit-based Butzel Long. Both Miglio and Buchanan were previously with Grand Rapids' Varnum.

Miglio and Buchanan have years of trial experience and represent employers before both federal and state courts in litigation involving employment and labor claims. These include discrimination, wrongful discharge, breach of contract, whistleblower, wage and hour, trade secrets, and credentialing of health care professionals.

"Terry and Barbara are highly respected and experienced attorneys with distinguished careers," says Dan Tukel, chair of Butzel Long's labor, employment, and employee benefits law department, which the two will join. "They are a wonderful complement to our multidisciplinary team of firm attorneys."
