DETROIT, Mich. – Butzel is among *Michigan Lawyers Weekly's* 2024 "Empowering Women" Honorees, created to recognize law firms and legal departments that have shown a strong commitment to supporting and elevating women attorneys.

Notably, 17 law firms and legal departments were named to the list. Each law firm and legal department has demonstrated a commitment to hiring and promoting women, providing mentoring and opportunities for professional advancement to women attorneys and establishing programs and policies to help women attorneys thrive professionally.
