Butzel Associate, Blake Padgett interviewed on 7 News Detroit on August 13, 2024. The focus of the interview was two NLRB charges filed against the Trump Campaign and Tesla regarding comments made during Donald Trump's interview with Elon Musk on X. The comments concerned firing workers who threaten to strike. In response, the UAW filed two charges, alleging that Trump and Musk violated the NLRA by threatening workers in violation of their Section 7 rights under the NLRA.
