Butzel Attorneys Jennifer Dukarski and Debra Geroux Featured During HCCA Ann Arbor Regional Healthcare Compliance Conference on June 26

Firm News

6.25.2025

ANN ARBOR, Mich. – **Butzel** attorneys **Jennifer Dukarski** and **Debra Geroux** will be featured presenters during the Health Care Compliance Association (HCCA) Ann Arbor Regional Healthcare Compliance Conference on Thursday, June 26, 2025.

Dukarski's presentation is titled, "Ready for Liftoff? Launching AI in a Less-Than-Certain Legal Universe." She will assess the scope of current AI uses and misuses (and the litigation that follows), near-future applications, and the key factors for mitigating legal risk in a successful launch, to name a few.

Geroux's presentation is titled, "HIPAA Security." She will discuss proposed Security Rules and how they may affect organizations, OCR's recent Enforcement Effort – the Risk Analysis Initiative, and, understanding vulnerabilities and threats to data security and how to address them.

About Jenifer Dukarski

Jennifer Dukarski focuses her practice at the intersection of technology and communications with an emphasis on emerging and disruptive issues: digital media and content, cybersecurity and privacy, artificial intelligence, and connected, electrified and autonomous cars.

Dukarski has become a national leader in legal issues facing emerging technology in multiple sectors including challenging intellectual property issues surrounding data, and automated systems.

A self-titled "recovering engineer," Dukarski was named one of the 30 Women Defining the Future of Technology in January 2020 by Warner Communications for her innovative thoughts
