Butzel Co-Hosts 2024 Michigan Defense Industry AUSA Reception in Washington, D.C.

Firm News

10.2.2024

DETROIT, Mich. – Butzel's Aerospace and Defense Practice, in partnership with the Michigan Office of Defense and Aerospace Innovation (ODAI), and Macomb County, are co-hosting the Michigan Defense Industry, Arsenal of Innovation, Annual Reception on Monday, October 14, 2024, in Washington, D.C. The co-host organizations are supported by the Macomb County Chamber and Macomb Community College.

Notably, this invitation only event brings together global leadership from private industry and high-level military officials.

The reception coincides with the Association of the United States Army (AUSA) Annual Meeting and Exposition, which takes place from October 14-16, 2024, at the Walter E. Washington Convention Center in Washington, D.C.

AUSA supports soldiers, their families, and Army civilians and provides a voice for the Army and honors those who have served.

"This special event highlights Michigan's Defense Industry, connecting industry and government to protect and grow Michigan's defense sector in Michigan," said Beth S. Gotthelf, Chair of the firm's Aerospace & Defense Industry Team. Butzel is committed to building relationships with, and supporting, Michigan's defense industry businesses."
