Butzel sponsors Farnborough International Airshow Welcome Reception in London, England on July 17

Firm News

7.11.2022

DETROIT, Mich. – **Butzel** is a sponsor of a Welcome Reception hosted by the Michigan Aerospace Manufacturers Association in advance of the Farnborough International Airshow (FIA). The reception will take place on July 17, 2022 at the Radisson Blu Edwardian Hampshire Penthouse in London, England.

Notably, Butzel has extensive experience with international aerospace companies across a variety of practice areas addressing a myriad of legal, business, and regulatory issues.

About Farnborough International Airshow

The Farnborough International Airshow is a week-long, biennial event that combines a major trade exhibition for the aerospace, aviation and defense industries and beyond (attracting more than 80,000 industry professionals from across the globe) with a public airshow. The event is held in mid-July in even-numbered years at Farnborough Airport in Hampshire, United Kingdom.
