## Mastering M&A Tax Planning

### **Speaking Engagement**

*Cascade Partners*

In this engaging episode of Cascade Conversations, Eric Green, Managing Director at Cascade Partners, sits down with Daniel Soleimani, the Tax Practice Lead at Butzel Attorneys and Counselors. They dive into the critical topic of pre-transaction tax planning, shedding light on the assignment of income doctrine and the crucial role of early planning in securing tax benefits. Soleimani shares expert insights on rewarding long-time employees in deal structures and emphasizes the vital collaboration between bankers and lawyers to ensure successful business transactions. Tune in for practical advice and valuable strategies in tax planning and business deals.
