

Business Formation

Hinshaw attorneys understand the right business structure is crucial to the success of a business. This knowledge has allowed us to represent countless entrepreneurs and domestic and multinational businesses from inception to conclusion. Our clients call on us for a full range of corporate, partnership and LLC organization and governance matters, including:

- Anticipating the entity's activities that may have state and federal consequences
- Assisting businesses in determining the proper form of organization
- Preparing audit committee charters and internal procedures
- Counseling on litigation avoidance, SEC enforcement, directors and officers liability insurance and corporate compliance programs
- Drafting documents, such as bylaws and articles, partnership agreements and limited liability company agreements
- Developing pension plan policies and disclosure documents
