angeladavis@hinshawlaw.com

Angela N. Davis has an extensive background in personal injury, medical malpractice, insurance defense, and civil litigation. Angela assists attorneys in all aspects of litigation, including conducting complex factual, legal, and technical research and investigation. She joined Hinshaw in 2009.

Professional Background

- St. Louis Paralegal Association
 - Voting Member since 2007

Representative Matters

- Personal Injury - Assisted with a defense verdict in the U.S. District Court for the Eastern District of Missouri. The plaintiff alleged he contracted Hepatitis C as a result of participating in two clinical trials at the defendant's facility, claiming he was stuck with a contaminated needle.

Personal

Angela is an Air Force brat, having traveled with her family until her father's retirement in 1993 and then returned to the St. Louis area. After graduating from college, she followed in her mother's footsteps by joining the world of litigation as a paralegal.

Away from work, Angela supports her daughter in color guard and her son in his many sports activities and spends time with her husband.

Practices

Complex Tort & General
Casualty

Industries
