Frank Mazzagatti to Present a LeadingAge Illinois Webinar on SNF Medicare Revalidation and Disclosure Changes

January 16, 2025
Webinar

New York-based partner Frank Mazzagatti will present a LeadingAge Illinois webinar titled "Significant Changes to SNF Medicare Revalidation and Disclosure Requirements: What You Need to Know," on January 16, 2025. This informative and timely session will guide members through the revalidation process, offering practical insights. Participants will also have an opportunity for questions during the discussion.

- Gain a clear understanding of the new revalidation process and its enhanced disclosure requirements, including those that extend beyond the routine ownership disclosures previously mandated under Section 1124 of the Social Security Act.
- Explore the changes introduced by the new Attachment 1 Form.
- Address key areas of uncertainty surrounding the disclosure requirements.
