Craig Liljestrand to Present on PFAS Litigation at the International Association of Defense Counsel Annual Meeting

July 9, 2025
Quebec, Canada

Chicago-based partner and Editor-Elect of the International Association of Defense Counsel (IADC) Craig Liljestrand will present at the IADC annual meeting in a panel session titled "PFAS Update – Forever Litigation Over the Forever Chemical" on July 9, 2025, in Quebec, Canada.

The panel will discuss key per-and polyfluoroalkyl substances (PFAS) litigation cases and trends in the U.S. and abroad, along with current and upcoming regulatory requirements. Attendees will gain practical tips and strategies for managing PFAS risks in industrial and manufacturing settings, real estate, and corporate transactions. By the end of the session, participants will have a clearer understanding of PFAS litigation, regulatory developments, and risk mitigation strategies.
