U.S. Trade, Tariffs, and State of the Economy Forum

July 24, 2025
Chicago, Illinois

Join us for **U.S. Trade, Tariffs, and State of the Economy Forum**, on July 24, 2025, at Hinshaw's Chicago office, an insightful discussion on U.S. trade, tariffs, and economic policies that brings together experts, policymakers, and industry leaders to explore the current dynamics and future outlook of international trade.

This event will provide a comprehensive overview of U.S. export controls and key developments shaping global commerce.

Discussion Topics

- The current landscape of international trade
- Key developments in trade, export controls, and tariff policies
- Tariffs and non-tariff barrier trends and challenges
- The ripple effect: how recent trade changes are impacting mergers and acquisitions

The presentation entitled "Turmoil Over Trade" will be followed by a panel discussion exploring how the current situation impacts international transactions, particularly mergers and acquisitions.
