Colleen Jarrott Presents CCS Legal Update to Women's Energy Network South Louisiana Chapter

August 15, 2025

Baton Rouge, Louisiana

New Orleans-based partner Colleen Jarrott will present "Legal and Legislative Update: Carbon Capture and Sequestration in Louisiana" to the Women's Energy Network South Louisiana Chapter on August 15, 2025, at Hinshaw's Baton Rouge office. The presentation will analyze key developments from Louisiana's 2025 legislative session, including the transformative One Big Beautiful Bill (OBBBA) and Senate Bill 244. Colleen will discuss how the new legislation reshapes regulatory oversight, revises eminent domain standards, and preserves the valuable Section 45Q tax credit for carbon capture and storage (CCS) projects.
