Colleen Jarrott Shares Legal Insights on CCS at LSU CO2 Symposium

September 5, 2025
Baton Rouge, Louisiana

New Orleans-based partner Colleen Jarrott is slated to present on "Legislative and Legal Update for CCS in Louisiana" at Louisiana State University's (LSU) CO2 Technology Symposium on September 5, 2025. The event brings together leaders from industry, academia, and government to explore the future of carbon capture and storage in the region.
