Eli Marger Presents CLE on Forensic Meteorology Applications at 2026 PLRB Claims Conference

March 23-25, 2026
National Harbor, Maryland

Tampa partner Eli Marger will co-present "Forensic Meteorology: Uses and Limitations" on March 23 and March 25, 2026, at the Property & Liability Resource Bureau (PLRB) Claims Conference & Insurance Services Expo in National Harbor, Maryland.

The CLE session will focus on the application of forensic meteorology in insurance claims analysis, highlighting both its utility in reconstructing weather-related events and the limitations that claims professionals should consider when interpreting such evidence.
