Kevin Sido to Present Ethics for Engineers at the Structural Engineers Association of Illinois Seminar

February 23, 2016

155 N. Wacker Drive, Ballroom AB, Chicago, IL 60606

Hinshaw & Culbertson LLP partner [Kevin R. Sido](#) will speak on the topic "Ethics for Engineers," at the Structural Engineers Association of Illinois seminar on February 23, 2016.

This presentation on ethics will assist the structural engineer in learning what state laws require for ethical practice not only in Illinois but for professional engineers in Wisconsin and Indiana.

Kevin Sido has been a trial lawyer and transactional counsel for design/construction professionals, condominium directors and officers, lawyers, real estate professionals and school officials for over four decades. His practice has also included insurance coverage analysis and policy drafting as well as broad aspects of a civil trial practice. Mr. Sido applies his extensive experience as a trial lawyer to the counseling and transactional needs of his clients.
