Kevin Sido and Elyse Ryan to Present at 2018 NCSEA Structural Engineering Summit

October 26, 2018

Sheraton Grand | Chicago, Illinois

Hinshaw partner Kevin Sido and associate Elyse Ryan are scheduled to present on Friday, October 26, 2018 from 4:00 – 5:00 PM Central at the 2018 National Council of Structural Engineers Associations (NCSEA) Structural Engineering Summit in Chicago. In a presentation titled "Structural Engineering Ethics: Doing the Right Thing and Knowing Why," the pair will provide attendees with an understanding of professional ethics issues including sources of ethics, how the statutory rules vary for each state of licensure, and the role of organizations' codes of ethics to the structural engineering profession.
