Judy Selby and John DeLascio to Discuss Insurance Coverage Issues and Tips Concerning Biometric Privacy Claims

September 17, 2020

Virtual Event

Hinshaw partners Judy Selby and John DeLascio will co-present at a National Association of Mutual Insurance Companies (NAMIC) webinar titled "Liability, Coverage, and Underwriting Issues Related to Biometric Privacy Laws," on September 17, 2020.

Selby and DeLascio will discuss:

- Current U.S. biometric privacy laws and related litigation, including the flood of private class action lawsuits filed under the Illinois Biometric Information Privacy Act (BIPA)
- Insurance coverage issues arising from biometric privacy claims
- Issues that insurers should focus on during the underwriting process to access a company's potential exposure

For more information, [visit the NAMIC website](#).
