Kevin Sido and Elyse Ryan to Address the Importance of Strong Contracts for Structural Engineers

September 30, 2020
Virtual Event

Chicago-based Hinshaw attorneys Kevin Sido and Elyse Ryan will team up to present "Let Your Contract Build the Strong Foundation," on September 30, 2020, as part of the virtual Business of Structural Engineering Seminar. Hosted by the Coalition of American Structural Engineers and the National Council of Structural Engineers Associations, the event is geared toward structural engineers, with a focus on those on the management track or already in management.
