BASF Presentation: Joanna Storey to Review Legal Ethical Concepts in Fictional Attorney Scenarios

May 12, 2022

Hinshaw's Joanna Storey will co-present a virtual CLE event titled "Ethical Lessons Learned from Fictional Attorneys," on May 12, 2022. The CLE is presented by the Bar Association of San Francisco's (BASF) Legal Ethics Committee, of which Storey is the current Vice-Chair. The program will look at fictional attorney examples of legal ethical dilemmas and analyze if the attorney addressed the issue properly by discussing the professional conduct duties owed to clients.

For more information and to register, [visit the event page on the BASF website.](#)
