Steven Puiszis to Present on the Future of Generative AI/ChatGPT for Law Firms

July 25, 2023

New York, New York

Chicago-based partner Steven Puiszis will participate as a panelist on July 25, 2023, in New York City on "The Opportunities, Challenges and the Future of Generative AI/ChatGPT for Law Firms." The event is organized by business consulting firm Anchin, and will focus on the "many opportunities, potential concerns, safeguards and the future impact on law firms" of generative artificial intelligence.
