Hinshaw Insurance Law Radio: 2017 Year in Review with Insurance Reporter Jeff Sistrunk

January 8, 2018

In this New Year episode of the Hinshaw Insurance Law Radio podcast, host Scott M. Seaman, a Chicago-based partner and co-chair of the national Insurance & Reinsurance Services group, talks with Jeff Sistrunk, senior insurance reporter for *Law360*, about some of the key insurance coverage decisions that took place in 2017.

Jeff and Scott begin by reviewing the decisions Jeff covered in his article "[The 5 Biggest Insurance Decisions Of 2017](#)." Those cases are *Xia v. ProBuilders Specialty Insurance Co.*, *Rancosky v. Washington National Insurance Co.*, *Harleysville Group Insurance v. Heritage Communities Inc.*, *General Refractories Co. v. First State Insurance Co.*, and *Travelers v. Actavis*.

Next, they review a case that Scott highlighted: *Global Reinsurance Corp. v. Century Indemnity Co.*—a New York Court of Appeals certified decision that dealt a blow to the *Bellefonte* cap that has served as "a star to steer by" for many courts over the past quarter of a century.
