### CLM Magazine Quotes Kevin Sido in Story About the Art of Arbitration

January 30, 2018

Hinshaw partner Kevin Sido was quoted by *CLM Magazine* in its coverage of his panel presentation titled "The Art of Arbitration: Experts Weigh in on What to Consider Before Filing for Arbitration" The panel discussed guideposts for clients to consider when selecting an arbitrator along with the importance of managing client expectations in arbitration. Sido noted that he advises his clients to forget everything they have seen about courtroom scenes on television. "Arbitration is much more freewheeling and less structured when it comes to the style of questioning, order of witnesses, objections, and arguments," he said.
