Hinshaw Attorneys Contribute Three Chapters to 2018 Edition of IICLE Employment Termination Handbook

October 31, 2018

A team of Hinshaw authors from the firm's Labor and Employment practice contributed three chapters to the latest edition of the Illinois Institute for Continuing Legal Education's (IICLE) *Employment Termination: Procedures, Grounds, and Challenges* handbook. The handbook provides information needed to establish the basis for employment termination, as well as the proper procedures to carry it out and responses to questions that may arise.

A list of the three chapters and their authors follows:

- James Harbert: Chapter 1, "Severance Pay Plans and Arrangements"
- Lisa Burman: Chapter 7, "Employee Plan Issues Arising in Individual Employment Terminations"
- Anthony Antognoli: Chapter 8, "Special Employee Plan Issues Arising in Reductions in Force or the Sale of the Employer"

The [2018 Edition of the *Employment Termination: Procedures, Grounds, and Challenges* handbook](#) is available for purchase on the IICLE website.
