Kevin Sido Authors "News from IPLSA" in National Society of Professional Surveyors

June 25, 2010

The Illinois Professional Land Surveyors Association is joining four other professional societies of engineers and architects to request that the Illinois Supreme Court receive an *amicus curiae* brief in *Thompson v. Gordon*, a case which the court decided to hear.

In this article, Mr. Sido discusses and provides a summary of an *amicus curiae* brief regarding engineering design in a case before the Illinois Supreme Court.
