December 5, 2019

The U.S. law firm of Hinshaw & Culbertson LLP today announced that it has been recognized as a leader in client service in the *BTI Client Service A-Team 2020: Survey of Law Firm Client Service Performance*.

The firm was identified in BTI Consulting Group's annual survey of corporate counsel and legal decision makers as a "Standout" client service provider for its **investment in client relationships** and for its **client-facing communications**.

The BTI Client Service A-Team is limited to those law firms considered by clients to deliver the absolute best levels of client service. BTI's Client Service A-Team report is the only law firm client service ranking based solely on direct, unprompted feedback from corporate counsel.
